Please ensure that all electronic equipment (including mobile phones) is switched off throughout the AGM.

Even for those Shareholders who are intending to attend the AGM in person, we strongly recommend that all Shareholders complete and submit a proxy form online in accordance with the instructions set out in the Shareholder Notes. Yours faithfully,

PAUL FORMAN
CHAIRMAN

Resolution 11

Auditor re-appointment (Ordinary Resolution)

Under section 489 of the Act, the Company is required to appoint an auditor at each general meeting at which accounts are laid before Shareholders. This resolution proposes the re-appointment of Ernst & Young LLP as auditor of the Company for the period ending 2 January 2027.

Resolution 12

Auditor remuneration (Ordinary Resolution)

Section 492 of the Act requires the auditor's remuneration to be fixed by the Company's Shareholders by ordinary resolution or in such manner as the Company's Shareholders may by ordinary resolution determine. This resolution proposes that the Directors be authorised to determine the remuneration of the auditor. In practice, and in line with the Code and the Competition and Markets Authority's Order on statutory audit services, the Audit Committee will consider and approve the audit fees on behalf of the Board. Details of the remuneration paid to the Company's auditor for 2025 and details of how the Audit Committee monitors the effectiveness and independence of the auditor can be found in the Company's Annual Report & Accounts for the period ended 27 December 2025.

Resolution 13

Authority to allot shares (Ordinary Resolution)

This resolution would give the Directors the authority to allot ordinary shares or grant rights to subscribe for or convert any securities into ordinary shares up to an aggregate nominal amount equal to £3,611,862 (representing 9,390,840 ordinary shares of 38 ³/₄p each). This amount represents approximately, but not more than, one-third of the issued ordinary share capital (excluding treasury shares) of the Company as at 10 April 2026, the latest practicable date prior to publication of this Notice.

The authority sought under this resolution will expire at the earlier of 20 August 2027 and the conclusion of the Annual General Meeting of the Company held in 2027.

The Directors have no present intention to exercise the authorities sought under this resolution or to allot shares other than pursuant to the Company's employee share schemes. However, the Directors consider it desirable to have appropriate flexibility as permitted by corporate governance guidelines to be able to act on short notice in appropriate circumstances should it be in the best interests of the Company to do so.

As at the date of this Notice, no ordinary shares are held by the Company in treasury.

Resolution 14

Dis-application of pre-emption rights (Special Resolution)

Resolution 14 will be proposed as a special resolution, which requires a 75% majority of the votes to be cast in favour.

Under section 561 of the Act, save in respect of the allotment of bonus shares or shares allotted pursuant to an employees' share scheme, any shares allotted (or, in the case of any shares held in treasury, sold) wholly for cash must be offered to existing Shareholders in proportion to their holdings (a right of pre-emption), but this requirement may be modified by the authority of a special resolution of the Shareholders in general meeting. Resolution 14 would give the Board the power to allot ordinary shares (or sell any ordinary shares which the Company holds in treasury) for cash without first offering them to existing Shareholders in proportion to their existing shareholdings.

The power set out in resolution 14 would be limited to:

- (a) allotments or sales in connection with pre-emptive offers and offers to holders of other equity securities if required by the rights of those securities, or as the Board otherwise considers necessary; and
- (b) otherwise, allotments or sales up to an aggregate nominal amount of £1,083,558 (representing 2,817,250 ordinary shares and approximately 10% of the issued ordinary share capital of the Company as at 10 April 2026, the latest practicable date prior to publication of this Notice); and
- (c) allotments or sales up to an additional aggregate nominal amount equal to 20% of any allotments or sales made under (b) above (so a maximum of 2% of the issued ordinary share capital of the Company), such power to be used only for the purposes of making a follow-on offer of a kind contemplated by Section 2B of the Pre-emption Group's Statement of Principles.

In respect of the authority sought under resolution 14, the Directors acknowledge the provisions of the Pre-Emption Group's most recent Statement of Principles published in November 2022 (the "**Pre-Emption Group's Principles**") and confirms that they will follow the general principles set out therein (including as to any "follow on" offers). The Directors have decided to adopt the provisions of the Pre-Emption Group's Principles in relation to the increased maximum of the disapplication of pre-emption rights for the allotment of shares on an unrestricted basis, of up to 10% of the Company's issued share capital. The Directors consider it desirable to have this flexibility, as permitted by corporate governance guidelines, to be able to allot shares otherwise than on a pre-emptive basis in appropriate circumstances should it be in the best interests of the Company to do so. In line with previous years, the Directors have decided not to adopt the provisions of the Pre-Emption Group's Principles in relation to the disapplication of pre-emption rights for the allotment of shares in connection with the financing of an acquisition or specified capital investment in certain circumstances, as the Directors believe that resolution 14, as proposed, provides sufficient flexibility to the Company at this time.

The Directors have no present intention to exercise the powers sought by resolution 14. If the powers are used in relation to a non-pre-emptive offer, the Directors confirm their intention to have regard to the provisions of the Pre-emption Group's Statement of Principles issued in November 2022.

The authority will expire at the earlier of 20 August 2027 and the conclusion of the Annual General Meeting of the Company held in 2027.

Resolution 15

Authority to make market purchases of own shares (Special Resolution)

Shareholder approval is required for a company to purchase its own shares on market under section 701 of the Act. Resolution 15, which will be proposed as a special resolution and requires 75% of the votes to be cast in favour, seeks authority for the Company to purchase up to 10% of its issued ordinary shares (excluding any treasury shares), renewing the authority granted by the Shareholders at previous annual general meetings.

The Directors have no present intention of exercising the authority to make market purchases, however the authority provides the flexibility to allow them to do so in the future. The Directors will exercise this authority only when to do so would be in the best interests of the Company, and of its Shareholders generally, and could be expected to result in an increase in the earnings per share of the Company.

Ordinary shares purchased by the Company pursuant to this authority may be held in treasury or may be cancelled. The Directors will consider holding any ordinary shares the Company may purchase as treasury shares. The Company currently has no ordinary shares in treasury. The minimum price, exclusive of expenses, which may be paid for an ordinary share is 38 ⁹/₁₀p, its nominal value. The maximum price, exclusive of expenses, which may be paid for an ordinary share is the highest of (i) an amount equal to 5% above the average market value for an ordinary share for the five business days immediately preceding the date of the purchase and (ii) the higher of the price of the last independent trade and the highest current independent bid on the trading venues where the purchase is carried out.

The Company had options and awards outstanding over 142,589 ordinary shares, 0.51% of the Company's ordinary issued share capital as at 27 December 2025.

If the existing authority given at the 2025 Annual General Meeting and the authority now being sought by resolution 15 were to be fully used, the options outstanding would represent 0.62% of the Company's ordinary issued share capital.

The authority will expire at the earlier of 20 August 2027 and the conclusion of the Annual General Meeting of the Company held in 2027.

Resolution 16

Notice of general meetings (Special Resolution)

Resolution 16, which will be proposed as a special resolution and requires 75% of the votes to be cast in favour, renews the authority that was given at our last AGM. The notice period required by the Act, under section 307A for general meetings of the Company, is 21 clear days unless Shareholders approve a shorter notice period, which cannot be less than 14 clear days. AGMs must always be held on at least 21 clear days' notice. The authority granted by this resolution, if passed, will be effective until the Company's next AGM when it is intended that a similar resolution will be proposed.

The flexibility offered by this resolution will only be used where, taking into account the circumstances, the Directors consider it is merited by the business of the meeting and is thought to be to the advantage of the Company and Shareholders as a whole.

6. To be valid any proxy form or other instrument appointing a proxy must be completed online or received by post or (during normal business hours only) by hand at the offices of the Company's Registrars, MUFG Corporate Markets, PXS 1, Central Square, 29 Wellington Street, Leeds, LS1 4DL or at the electronic address provided in the proxy form, in each case no later than 11.00 a.m. on Monday 18 May 2026.
7. A 'Vote Withheld' option is provided on the Form of Proxy which enables you to abstain on any particular resolution. It should be noted that a 'Vote Withheld' is not a vote in law and will not be counted in the calculation of the proportion of votes 'For' or 'Against' a resolution.
8. Any person to whom this Notice is sent who is a person nominated under section 146 of the Act to enjoy information rights (a "Nominated Person") may, under an agreement between him/her and the Shareholder by whom he/she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the Annual General Meeting. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the Shareholder as to the exercise of voting rights.
9. The statement of the above rights of Shareholders in relation to the appointment of proxies does not apply to Nominated Persons. Those rights can only be exercised by Shareholders of the Company. Nominated Persons are reminded that they should contact the registered holder of their shares (and not the Company) on matters relating to their investments in the Company.
10. As at close of business on 10 April 2026 (being the last business day prior to the publication of this Notice) the Company's issued share capital consists of 28,172,530 ordinary shares, carrying one vote each. Therefore, the total voting rights in the Company as at close of business on 10 April 2026 are 28,172,530.

11. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
12. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & International Limited's specifications, and must contain the information required for such instruction, as described in the CREST Manual (available via www.euroclear.com). The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID RA10) by 11.00 a.m. on Monday 18 May 2026. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Application Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
13. CREST members and, where applicable, their CREST sponsors, or voting service providers should note that Euroclear UK & International Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
14. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
15. If you are an institutional investor you may be able to appoint a proxy electronically via the Proxymity platform. For further information regarding Proxymity, please go to www.proxymity.io. Your proxy must be lodged by 11.00 a.m. on Monday 18 May 2026 in order to be considered valid or, if the meeting is adjourned, by the time which is 48 hours before the time of the adjourned meeting. Before you can appoint a proxy via this process you will need to have agreed to Proxymity's associated terms and conditions. It is important that you read these carefully as you will be bound by them and they will govern the electronic appointment of your proxy. An electronic proxy appointment via the Proxymity platform may be revoked completely by sending an authenticated message via the platform instructing the removal of your proxy vote.
16. Unless otherwise indicated on the Form of Proxy, CREST, Proxymity or any other electronic voting instruction, the proxy will vote as they think fit or, at their discretion, withhold from voting.
17. Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same shares.
18. In the case of joint holders, where more than one of the joint holders completes a Form of Proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members, the first-named being the most senior.
19. Under section 527 of the Act members meeting the threshold requirements set out in that section have the right to require the Company to publish on a website a statement setting out any matter relating to: (i) the audit of the Company's accounts (including the auditor's report and the conduct of the audit) that are to be laid before the Annual General Meeting; or (ii) any circumstance connected with an auditor of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance with section 437 of the Act. The Company may not require the Shareholders requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the Act. Where the Company is required to place a statement on a website under section 527 of the Act, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the Annual General Meeting includes any statement that the Company has been required under section 527 of the Act to publish on a website.
20. Any member entitled to attend the meeting (including by proxy) has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the meeting but no such answer need be given if: (a) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information; (b) the answer has already been given on a website in the form of an answer to a question; or (c) it is undesirable in the interests of the Company or the good order of the meeting that the question be answered. Shareholders may submit questions relating to the business of the meeting in advance of the AGM via email at agm@4imprint.com or by post to the Company Secretary, at 4imprint, 5 Ball Green, Cobra Court, Trafford Park, Manchester, M32 0QT by 11.00 a.m. on Monday 18 May 2026. There will also be an opportunity for Shareholders to raise appropriate questions relating to the business of the AGM at the AGM itself.

SHAREHOLDER NOTES CONTINUED

21. A member or members meeting the qualification criteria set out in sections 338 and 338A of the Act, may, subject to certain conditions, require the Company to: (i) give Shareholders of the Company entitled to receive notice, notice of a resolution which may properly be moved and is intended to be moved at the AGM; and (ii) include in the business to be dealt with at the AGM a matter (other than a proposed resolution) which may properly be included in the business (a matter of business). The conditions are that:
- a. the resolution or matter of business must not be defamatory of any person, frivolous or vexatious or (in the case of a resolution only) it would, if passed, be ineffective (whether by reason of inconsistency with any enactment or the Company's constitution or otherwise); and
 - b. the request:
 - i. may be in hard copy form or in electronic form;
 - ii. must identify the resolution of which notice is to be given or matter of business by either setting it out in full or, if supporting a statement sent by another member, clearly identifying the resolution or matter to be included in the business;
 - iii. in the case of a matter of business, must be accompanied by a statement setting out the grounds for the request;
 - iv. must be authenticated by the person or persons making it; and
 - v. must be received by the Company no later than six weeks before the meeting to which the request relates, or if later, the time at which Notice of the AGM is given.
22. The following documents will be available for inspection during normal business hours (Saturdays, Sundays and public holidays excepted) at the offices of Slaughter and May, One Bunhill Row, London EC1Y 8YY from 14 April 2026 until the close of the AGM and at the place of the AGM from 15 minutes before the start of the AGM until the close of the AGM:
- a. copies of the Executive Directors' service contracts;
 - b. copies of letters of appointment of the Chairman and the Non-Executive Directors; and
 - c. copies of the Company's annual accounts, the Directors' Report, the Strategic Report, the Remuneration Report and the Auditor's Report.
23. A copy of this Notice, and other information required by section 311A of the Act, can be found at <https://investors.4imprint.com>
24. You may not use any electronic address (within the meaning of section 333(4) of the Act) provided in this Notice (or in any related documents including the proxy form) to communicate with the Company for any purposes other than those expressly stated.
25. The Company confirms that all resolutions to be proposed at the AGM will be put to the vote on a poll. This will result in a more accurate reflection of the views of all of the Company's Shareholders by ensuring that every vote cast is recognised, including the votes of Shareholders who are unable to attend the Meeting, but who have appointed a proxy for the Meeting. On a poll, each Shareholder has one vote for each share held. All of the votes of the Shareholders present will be counted, and added to those received by proxy, and the provisional final votes will be displayed at the Meeting. The final results will be announced to the London Stock Exchange and published on the Company's website as soon as practicable after the AGM. The Company will also disclose the number of votes withheld.
26. Your personal data includes all data provided by you, or on your behalf, which relates to you as a Shareholder, including your name and contact details, the votes you cast and your reference number (attributed to you by the Company). The Company determines the purposes for which and the manner in which your personal data is to be processed. The Company and any third-party to which it discloses the data (including the Company's registrar) may process your personal data for the purposes of compiling and updating the Company's records, fulfilling its legal obligations and processing the shareholder rights you exercise.
